## Flammkuchen

Small 20cm Medium 30cm

Een Flammkuchen bestaat uit een dunne knapperige bodem van uitsluitend meel, water en een beetje zout. Deze besmeren we met een gezonde crème fraiche-variant (Bibbeliskäse) en beleggen we met een topping van vlees, vis, vegetarische of veganistische producten.

### Vlees

- |      |                |   |
